 - Business registration of the company – Rs. 2000/-
 - Processing fee for loan and document verification of company is Rs. 5000/- (Rs. 1000/- per lakh up to the loan amount of Rs. 10 lakhs) {Both fees are not refunded even if the project doesn't occur}
 - The company will be working as a business guide and project partner in this business.
 - The business is in the form of agricultural supplementary business. The company is going to help in registering the business with the care as per the demand of the customers from above 1 to 10 points.
 - In banking, according to the loan grant partnership system, direct investment in the project will be done on the basis of all your documents. The financial planning of this business is to show how the business will be completely financially profitable for the next 5 years and make it financially knowledgeable and successful by banking it in a practical way.
 - The company will have 10% in the direct investment partnership.
 - The loan is entirely on the project. The repayment of the loan is to be made by the owner himself and the company is not responsible for the recovery of the loan.

- The company is in the role of constant guide in which the business owner carries out the project processing. It is mandatory to take care and do business as per the instructions given by the company from time to time. (Weight gain of 300 gm per goat per day is the primary sign of proper care)
